

Donate to MDC to promote equity and opportunity in the American South and across the United States.

With your help, we can:

- Improve student success rates at community colleges
- Increase the number of low-income students with postsecondary credentials
- Help disconnected 16- to 25-year-olds find education and training for living-wage jobs
- Connect low-income workers with career pathways in emerging green industries
- Help poor families and low-wage workers take advantage of work support benefits
- Focus the priorities of community philanthropy
- Prepare disadvantaged communities to handle disasters
- Help communities improve capacity to advance equity

Your gift will contribute to supporting the people and places left behind across the South as we work to connect them to opportunity. You can choose to support a specific program area, or donate where the need is greatest:

- Autry Fellowship
- Connected by 25
- EITC Carolinas
- General Operations
- Partnerships for Postsecondary Success
- Rural People, Rural Policy
- Strategic Philanthropy
- Work Supports Initiative
